Program Description

Success in increasingly complex domestic and global business environments requires effective leadership and support from those with business administration and discipline-specific knowledge and skills. This program provides knowledge and skills in business administration; strategic, marketing, human resource, financial management and sustainable business practices. Emphasis is placed on responsible citizenship at the individual and corporate levels, including ethical, legal, and socially responsible behaviors and business practices.

Business administration graduates have practical, marketable business administration, management, and leadership skills grounded in industry-accepted theories and practices. These skills help them enter and/or progress in a competitive job market while building a solid theoretical foundation for potential graduate studies.

Admission Requirements

1. Have completed a minimum of 6 post-high school college credits
2. Minimum GPA of 2.0
3. Minimum of 3 years of post-high school work experience

All degree requirements are subject to change. Please see Southwestern College Professional Studies Catalog for the most current degree requirements. All course descriptions can be found online at ps.sckans.edu.
