3. Complete a minimum of 30 credit hours

Program Description

The Southwestern College Professional Studies Master of Business Administration program prepares the learner to lead and manage organizational strategies and operations with emphasis on real world applications of cutting-edge theories, concepts, and practices. Contemporary leadership and management theories and practices are emphasized, preparing learners for developing and implementing strategies and effectively managing operations for the success of today's organizations in an ever-changing global environment.

An MBA graduate will exhibit the technical capabilities required for key business operations, verbal and written communication competencies, demonstrated understanding and commitment to the application of ethical reasoning, and the leadership skills expected of one with an advanced degree. The application of business leadership, management, and administrative knowledge and skills to realistic, scenario or simulation-based activities and applied projects, prepares learners to immediately contribute to the success of their organizations. Learners can choose an emphasis in finance, marketing or information technology.

These experiences can inspire learners to continue in additional graduate degree programs.

Admission Process

1. Complete graduate application forms
2. Provide current resume
3. Submit two professional letters of recommendation (at least one from a current or former employer)
4. Turn in one-page personal essay
5. Submit an official transcript from a bachelor's degree-granting institution. Official transcripts must be received within 8 weeks following the start of class.

All degree requirements are subject to change. Please see Southwestern College Professional Studies Catalog. All course descriptions can be found online at ps.sckans.edu.
