Program Description

Success in business administration is leveraged not only by mastery of business disciplines, but also by demonstration of leadership in a complex business environment. This degree focuses on gaining knowledge and developing skills in business leadership; strategic, administrative and financial management; and marketing.

The Business Administration curriculum will provide learners with practical, marketable business administration, management, and leadership skills grounded in industry accepted theories and practices to help them enter and/or progress in a competitive job market while building a solid theoretical foundation for potential graduate studies.

Admission Requirements

1. Have completed a minimum of 6 post-high school college credits
2. Minimum GPA of 2.0
3. Minimum of 3 years of post-high school work experience

All degree requirements are subject to change. Please see Southwestern College Professional Studies Catalog for the most current degree requirements. All course descriptions can be found online at ps.sckans.edu.
