Program Description

The Criminal Justice Program provides learners with knowledge and skills they can apply immediately in the exercise of law enforcement policies and procedures. In addition, program students are afforded an understanding of the nature of crime and the personnel, institutions, and processes that prevent or respond to crime. Students learn both the theory and practice of the criminal justice system.

Management, communication, leadership, psychological and sociological aspects of the executive criminal justice professional are stressed. The curriculum offers crime and criminal behavior, policing, criminal investigation, criminal law and procedure, courts, corrections and administration and management of criminal justice organization.

Students completing the Criminal Justice Program have a solid foundation for entry into or advancement in a variety of criminal justice fields. These fields include law enforcement, corrections and the court system. Examples of job include, but are not limited to, police officer, criminal investigator, crime scene investigator, corrections officer, probation/parole officer and court officer.

Admission Requirements

1. Have completed a minimum of 6 post-high school college credits
2. Minimum GPA of 2.0
3. Minimum of 3 years of post-high school work experience

All degree requirements are subject to change. Please see Southwestern College Professional Studies Catalog for the most current degree requirements. All course descriptions can be found online at ps.sckans.edu.
