Program Description

The Bachelor of Arts in Psychology focuses on an essential and fundamental understanding of the major elements in the field of psychology. Learners in this major will evaluate psychological theories and research while examining ethical issues in the practical application of psychological theories. Individuals enrolled in this major can enrich their skills and abilities in organizational life and choose to pursue employment in a variety of organizational roles including, but not limited to, intake workers, child care workers, social service workers and administrative support personnel.

The Bachelor of Arts with a Psychology major is designed for individuals who wish to complete a general degree in psychology or prepare for an advanced degree in psychology.

Admission Requirements

1. Have completed a minimum of 6 post-high school college credits
2. Minimum GPA of 2.0
3. Minimum of 3 years of post-high school work experience

All degree requirements are subject to change. Please see Southwestern College Professional Studies Catalog for the most current degree requirements. All course descriptions can be found online at ps.sckans.edu.
