Southwestern College Professional Studies
Bachelor of Science with a Major in Business Administration
Air University ABC

Success in increasingly complex domestic and global business environments requires effective leadership and support from those with business administration and discipline specific knowledge and skills. This program provides knowledge and skills in business administration; strategic, marketing, human resource, and financial management; and sustainable business practices. Emphasis is placed on responsible citizenship at the individual and corporate levels, including ethical, legal, and socially responsible behaviors and business practices. Business Administration graduates have practical, marketable business administration, management, and leadership skills grounded in industry-accepted theories and practices to help them enter and/or progress in a competitive job market, while building a solid theoretical foundation for potential graduate studies.
