Program Description

The Accounting program is committed to preparing future accounting professionals for current and emerging roles that are now, and projected to be, in demand. Accounting graduates gain fundamental knowledge and skills in financial and managerial accounting, auditing, income taxation, forensic accounting and accounting systems. In addition, the program provides a thorough understanding of ethical reasoning and its application to the field of accounting. Accounting graduates also gain the solid theoretical foundation necessary to prepare for the CPA exam or for future graduate coursework.

Admission Requirements

1. Have completed a minimum of 6 post-high school college credits
2. Minimum GPA of 2.0

All degree requirements are subject to change. Please see Southwestern College Professional Studies Catalog for the most current degree requirements. All course descriptions can be found online at ps.sckans.edu.
