Undergraduate Certificate in Organizational Communication

Core Requirements

- BQM325 Quality through Effective Teams
- COM301 Professional Communication
- COT330 Microsoft Office Applications
- OMGT320 Managing Group Dynamics
- STL302 Self-Awareness & Personality Traits

Program Description

The Organizational Communication Certificate is designed for individuals interested in understanding the professional communication skills necessary for personal success in today's busy work environment. Students will have the opportunity to develop professional and interpersonal communication skills in addition to examining the process of team communication and participation. The knowledge and practice of both individual and group communication will also include the use of technology tools to better prepare them to be successful in their organization. The use of technology tools will also be explored.

Admission Requirements

Anyone interested in completing the Certificate in Organizational Communication may complete a Southwestern College Professional Studies Application for Admission. The five courses comprising the Organizational Communication Certificate can be completed in eight months or less with no prerequisites.

Individuals completing the Organizational Communication Certificate at Southwestern College may apply these 15 credit hours earned toward a Bachelor of Science degree with a major in Business Quality Management, Human Resource Development or Strategic Leadership or they can be applied as electives in other bachelor degrees offered by Southwestern College Professional Studies.

The Organizational Communication Certificate is offered in an Online format. Courses are delivered in six-week sessions to allow maximum flexibility for busy professionals.
