2. Complete a minimum of 124 credit hours, with at least 60 hours at a bachelor's degree-granting institution
3. Complete at least 30 credit hours with a C average or above from Southwestern College

Program Description

With the increasing need for security in a changing world, security professionals with expertise in all aspects of security management and operations administration will be in demand. Security professionals enable private and public organizations to strengthen existing security measures and initiate policies and procedures to ensure a safe and secure working environment, as well as limit organizational losses.

The Security Management degree is targeted to those pursuing employment opportunities in private or government security, including security management, physical security, loss prevention, information security, homeland security, emergency management and crime prevention.

Admission Requirements

1. Have completed a minimum of 6 post-high school college credits
2. Minimum GPA of 2.0

All degree requirements are subject to change. Please see Southwestern College Professional Studies Catalog for the most current degree requirements. All course descriptions can be found online at ps.sckans.edu.
