Program Description

Given the ever-evolving nature of homeland security issues in the United States and those impacting citizens and countries around the world, the classes in the homeland security certificate program offered by Southwestern College are designed to address a multitude of issues and challenges facing organizations today. Courses are taught by practicing professionals who bring real-world applications to each of the classes

Southwestern College had been a leader in the offering of security curriculum at the undergraduate and graduate levels.

Admission Requirements

Anyone interested in completing the Certificate in Homeland Security may complete a Southwestern College Professional Studies Application for Admission. The five courses comprising the Homeland Security Certificate can be completed in eight months or less without prerequisites.

Individuals completing the Homeland Security Certificate at Southwestern College may apply these 15 credit hours earned toward a Bachelor of Science degree with our major in Security Management or they can be applied as electives in other bachelor degrees offered by Southwestern College Professional Studies.

The Homeland Security Certificate is offered in an Online format or in the classroom at Ft. Riley, KS. Five required courses are delivered in six-week sessions to allow maximum flexibility for busy professionals.
